THE ILLINOIS CHAPTER OF THE NATIONAL EMERGENCY NUMBER ASSOCIATION

Service Award Nomination Process

The mission of Illinois NENA is to "lead in the development, availability, implementation, and enhancement of a universal emergency telephone number common to all jurisdictions so that the safety of human life, protection of property, and civic welfare are benefited to the utmost degree".

The accomplishment of this mission requires the active involvement of all INENA members...and at times requires significant efforts of those members to further and/or accomplish objectives in support of that mission. INENA also relies on the support of members of the community at large that may not be INENA members, but may play an important role in the support and attainment of its goals.

This is *YOUR* opportunity to submit candidates that you feel have demonstrated the type of activity that most furthered the mission, and goals, of INENA over the past year.

AWARD CATEGORIES:

INENA Excellence Award (one per conference)

This award represents the result of a significant accomplishment(s) that most impacts the success of INENA and its objectives during the year.

INENA "Thank-You" Award (two-three per conference)

This award recognizes individuals that most consistently render INENA service activity that supports the overall mission of INENA and the furthering of its objectives.

INENA Sponsorship Award

This award recognizes community members at large that provided significant support to furthering the goals and objectives of INENA.
