

## NG9-1-1 Stakeholder Review Group ConOps Working Group Session

### Feedback Questionnaire

*Please return all completed forms to [NG911conopswg@bah.com](mailto:NG911conopswg@bah.com) by January 29, 2007*

| Name | Title/Role | Phone & Fax Numbers | E-mail & Web Address | Company/Org & Mailing Address | May we contact you in the future?<br>(If yes, indicate any restrictions) |
|------|------------|---------------------|----------------------|-------------------------------|--|
|      |            | (P)                 | E-mail:              |                               | <input type="checkbox"/> Yes _____<br><input type="checkbox"/> No        |
|      |            | (F)                 | URL:                 |                               |  |

#### Section 1 – Scope

1. What issues related to the scope require mention and/or expanded discussion in the ConOps document?

|  |
|--|
|  |
|  |
|  |
|  |
|  |
|  |

2. What revisions should be made to the documented concept of how the overall NG9-1-1 system will operate, or the overall vision?

|  |
|--|
|  |
|  |
|  |
|  |
|  |
|  |

3. What specific impacts on the vendor, technical, or first responder communities are not already addressed by the ConOps document?

|  |
|--|
|  |
|  |
|  |
|  |
|  |
|  |

## NG9-1-1 Stakeholder Review Group ConOps Working Group Session

4. What concerns do you have about how the transition to NG9-1-1 systems should occur, as relates to this document?

|  |
|--|
|  |
|  |
|  |
|  |
|  |
|  |

5. What additional assumptions or constraints require coverage or discussion in the ConOps document?

|  |
|--|
|  |
|  |
|  |
|  |
|  |
|  |

### Section 2 – User Defined Operational Description

6. How will the PSAP mission or operational environment change as a result of NG9-1-1 as defined in the ConOps?

|  |
|--|
|  |
|  |
|  |
|  |
|  |
|  |

7. What additional processes or systems are required to implement NG capabilities as described in Table 2-1? What additional NG core capabilities of the PSAP are needed?

|  |
|--|
|  |
|  |
|  |
|  |
|  |
|  |

8. What unaddressed operational challenges do you anticipate being brought about by the NG9-1-1 system?

|  |
|--|
|  |
|  |
|  |
|  |
|  |
|  |

## NG9-1-1 Stakeholder Review Group ConOps Working Group Session

### Section 3 – Operational Needs

9. What operational limitations and new desired capabilities are not addressed in the current ConOps?

|  |
|--|
|  |
|  |
|  |
|  |
|  |
|  |

### Section 4 – System Overview

10. What revisions must be made to make NG9-1-1 institutional roles reflected in the ConOps comprehensive?

|  |
|--|
|  |
|  |
|  |
|  |
|  |
|  |

11. What additional system interfaces should be added to the current list in the ConOps?

|  |
|--|
|  |
|  |
|  |
|  |
|  |
|  |

12. What additional system capabilities or functions need to be discussed beyond those already mentioned in the ConOps?

|  |
|--|
|  |
|  |
|  |
|  |
|  |
|  |

13. What additional maintenance and technical support issues should be addressed by the ConOps document?

|  |
|--|
|  |
|  |
|  |
|  |
|  |
|  |
