THE ILLINOIS CHAPTER OF THE NATIONAL EMERGENCY NUMBER ASSOCIATION

Award Nomination Process

The Illinois Chapter of the National Emergency Number Association (INENA) is comprised of public safety professionals throughout Illinois whose mission is to foster the technological advancement, availability, and implementation of the universal emergency number 9-1-1 in the State of Illinois.

Achievement of this goal requires the active involvement of all Illinois NENA members, and at times requires significant efforts of those members, as well as non-members, to further and/or accomplish objectives in support of our mission.

INENA also relies on the support of members of the community at large that may not be Illinois NENA members, but may play an important role in the support and attainment of its goals. **While it is not a requirement for any recipient to be an INENA member, we encourage everyone to become a member to share their energy and drive with the organization.**

This is ***YOUR*** opportunity to nominate an individual or a group of people you feel have demonstrated the type of activity that best illustrates the mission and goals of Illinois NENA over this past year. Please take this opportunity to recognize the hard work and dedication your counterparts, staff members, or others you know in the industry who have made a difference in the 9-1-1 industry in Illinois.
